

Lynn has been a long time member of Starlight Promenaders, graduating April 2, 2002. Lynn wears many hats within the club – banner carrier & treasurer.

Lynn is known by many dancers as the one who is always ready with her camera. She is the official picture taker and can be counted on to take many pictures of our club events but also other clubs as well. Lynn has taken it upon herself to set up some very special albums for all of us to enjoy, also makes copies for some club members to enjoy as well.

As a single dancer Lynn is always ready to help others at dances and conventions. Lynn is always making sure people are able to get up and dance and enjoy themselves.

She stepped in to help a new dancer, Ron Thomson and helped him become a member. She has had a many of get together at her home for square dancers.

Lynn in her quiet way makes a person feel special. One can find her visiting retired square dancers to fill them in on what is going on. She also calls dancers to make sure they are fine if they have not been to a dance in a while.

Time to step up and say a very large thank you to a very special person who has helped so many square dancers.

Congratulations to Lynn.
